Covid BounceBack Insurance

For Unions, Employers, Clubs, Associations & Membership Bases

ProRisk Covid BounceBack Insurance offers a one-off cash benefit under a group or master policy for unions, employers, clubs, associations and membership bases in the event a fully vaccinated member or employee is hospitalised due to contracting COVID-19.

We know that contracting COVID-19 can negatively impact the health and wellbeing of an individual, but we often don't think or hear about the financial impact and strain it can have on that person if they are hospitalised due to contracting COVID-19.

In the event that the member or employee is hospitalised due to contracting COVID-19, Covid BounceBack provides a one-off payment to assist with unexpected expenses, the provision of additional services or to cover daily living expenses due to a loss of income.

Target Markets

Unions, Employers, Clubs, Associations and Membership bases that want to provide benefits and or cover for their employees or members in the event they are hospitalised due to contracting COVID-19.
